

FOOD SUPPLEMENTS

Training

« FOOD SUPPLEMENTS REGULATION IN EUROPE »

Dear customer(s),

We invite you to participate in our unique training course in English dedicated to food supplements!

We will cover current topics such as plants with hydroxyanthracenic derivatives (HAD), Cannabidiol (CBD), ethylene oxide (ETO), etc.

ON THE AGENDA:

Thursday 19 May 2022 :

- The current food supplements regulation and the future evolutions
- Practical cases: how to notify the food supplement?

Friday 20 May 2022 :

- Labelling of the food supplements
- Health claims
- Recent and upcoming changes

TRAINING VIA TEAMS

This training is led by **Julie Pasquet**, in the form of a **webinar** via the **Teams** platform.
